Make checks and money-orders payable to the Western Democratic Campaign Fund. Address all communications to the Western Campaign Fund, box 3,354 New York City. All subscriptions will be acknowledged in the Morning WORLD.

The World asks your subscription to the Western Democratic Campaign Fund. Its purpose is to make sure the election of Cleveland and Stevenson by waging a vigorous educational campaign in those Western States which have gone Republican in national elections hitherto, but now give the strongest indications of a tendency towards Democratic and tariff reform. Chief among these States are Illinois, Wisconsin, Michigan, Iowa, Kansas and Nebraska. Each gave an overwhelming majority against the Republican policy of excessive protection in 1890. Are you willing to help? If so, send in your

subscription for whatever amount you feel able to give, from 10 cents to \$10,000. This must be both a national and a popular fund. The larger the number of subscriptions, regardless of their size, the greater will be the moral effect. The money raised will be expended by a committee of leading Western Democrats. It will be used solely for legitimate campaign expenses, the chief object being to make certain that every citizen at these doubtful times shall read and hear the truth—a great educational work, in brief, in a great educational campaign.

Do you as a Democrat or tariff reformer approve the idea? Will you help? If so send a check, a registered letter, a money-order or cash to the address given above. Also if convenient fill up the blank in order that your subscription may be acknowledged in the columns of The World.

The plan has been formally approved by chairman Harrity as follows:

DEMOCRATIC NATIONAL COMMITTEE,
No. 139 FIFTH AVENUE, New York.

The movement for an energetic and aggressive campaign of education and organization in Wisconsin, Illinois, Iowa, Michigan, Minnesota and other Western States is excellent. It deserves encouragement from the Democrats of the East; in fact, substantial support should be given to it by the Democrats of the entire country.

I believe there are tens of thousands of Democrats who have not been in the habit of contributing to the National Campaign Fund for want of opportunity. The Democratic National Committee has been and is likely to be unable to reach them, and they will doubtless be glad to avail themselves of this means of giving to the fund which it is proposed to raise for the expenses of the campaign in the West.

The contributions to the campaign fund of the Democratic National Committee for the expenses of the general campaign throughout the country will doubtless be made in the usual way, and will not, of course, interfere with those to be made to the Western Democratic Campaign Fund, to which latter all who can should contribute.

I am sure that your effort, supplemented as you expect it to be by that of very many other Democratic newspapers, will be productive of good results. I look for the movement to be one of the most effective aids the Democratic party will have in the present campaign. It will still further emphasize the declaration made by The World that "the next President must be a Democrat." Yours respectfully, WILLIAM F. HARRITY.

POINTERS ON THE RACES.

Meeting of Chesapeake and Tormentor Feature at Brighton.

Card Is Well Filled, and Good Sport Looked For.

The Brighton Beach Association offers another good card to its patrons to-day. The six events are all well filled, and unless some whole-sale scratching is done, the sport will be well worth seeing. The feature of the card is the fourth race, at five furlongs, in which Chesapeake and Tormentor will again measure strides. Besides these two, Early Bloomer, Crotchett, Jack Star and others are entered and the finish should be very close and exciting. The two-year-old race brings together some fair youngsters and should also prove to be a good contest. Entries and selections follow:

First Race—Purse \$500, of which \$75 to second and \$25 to third, for three-year-olds and upward that have never won more than one race in 1892. The winner to be sold at auction. Six and a half furlongs.

Common Sense, 107; Ringgold, 102; Second Race—Purse \$500, of which \$75 to second and \$25 to third, for three-year-olds and upward that have never won more than one race in 1892. The winner to be sold at auction. Six and a half furlongs.

Common Sense, 107; Ringgold, 102; Third Race—Purse \$500, of which \$75 to second and \$25 to third, for three-year-olds and upward that have never won more than one race in 1892. The winner to be sold at auction. Six and a half furlongs.

Common Sense, 107; Ringgold, 102; Fourth Race—Purse \$500, of which \$75 to second and \$25 to third, for three-year-olds and upward that have never won more than one race in 1892. The winner to be sold at auction. Six and a half furlongs.

Common Sense, 107; Ringgold, 102; Fifth Race—Purse \$500, of which \$75 to second and \$25 to third, for three-year-olds and upward that have never won more than one race in 1892. The winner to be sold at auction. Six and a half furlongs.

You Should Know.

"YOU SHOULD KNOW," SAYS THE N. Y. TRIBUNE, "THAT CLOTHING BEARS RATHER A CURIOUS RELATION TO HUMANITY." THEIR MORAL EFFECT IS SIMPLY IMMENSE AND CANNOT THEREFORE BE UNDERRATED IN CONSIDERING THE CAUSES THAT SWAY AND INFLUENCE MANKIND. THE OLD SAYING THAT "THE TAILOR MAKES THE MAN," IS NOT MERELY FLATTERING TO OUR INNER CONSCIOUSNESS OF WORTH AND SUPERIORITY. BUT, NEVERTHELESS, IT IS IN A GREAT MEASURE TRUE. WE MIGHT AS WELL, THEREFORE, CONSIDER THE QUESTION SERIOUSLY AND PUT DRESSING AND CLOTHES IN THEIR PROPER RELATION TO THE REST OF OUR MORAL OBLIGATIONS. MANKIND IN GENERAL SHOULD NOT UNDERRATE THESE THINGS, AS THEY ARE APT TO DO. THEY SHOULD BE TAUGHT TO CONSIDER THAT TO DRESS CAREFULLY AND WELL IS AN ESSENTIAL PART OF THE DAILY DUTY OF A SELF-RESPECTING MAN.

WE FEEL PROUD THAT WE ARE RESPONSIBLE FOR DRESSING A GREAT PORTION OF THE MALE POPULATION OF NEW YORK AND SURROUNDING COUNTRY, AND THAT ESPECIALLY NOW OUR

GREAT ALTERATION AND REBUILDING SALE

MAKES IT ESSENTIALLY AN EASY MATTER TO BUY THE BEST CLOTHES ON EARTH AT EXTREMELY LOW PRICES. THERE IS NO EXCUSE FOR POOR DRESSERS AT THE PRICES WE QUOTE FOR TO-DAY AND SATURDAY.

For a Man's Nobby All-Wool Suit is as close to the verge of reliability as we care to stand, but we're sure-footed there. We show hundreds of suits at that price which we sold before at \$15.00 and \$18.00. The variety we leave for your personal inspection. Come and see.

Grade by grade we climb to the highest point of artistic excellence. That's why the Suits we sell at \$12 are worth the difference and doubly so now, as we sold them before at \$20.00 and \$22.00, and they'll cost that elsewhere now. The variety of styles is simply immense.

We differ from other dealers, inasmuch as we make the clothes we sell, and can afford to do so. We sell honest clothing for less money. The suits we sell now at this price will stand every comparison with those sold for double elsewhere. Easy to prove the assertion. Test us!

THE BIGGEST CUT OF ALL! Here's an Inkling of Sound Logic!

As we near the goal of Summer we are more forcibly impressed with the necessity of reducing our big stock of Suits, and before the extensive alterations will be finished in our building we shall expect to have cleared a great portion of our stock at these "next to nothing" quotations. Our goods and prices appeal directly to the people's common sense, with the result that we are supplying gentlemen with their clothes who are desirous of procuring only the best. Every suit we sell is a sample of our best. The cheapest and the highest priced must have every cent's worth of value we can crowd into them!

Good clothes will never be sold so cheaply again! Do you need a Suit? If you do, buy one of us To-Day or To-Morrow.

The excellence of our clothes and our popular prices have become household words. Our Men's \$10, \$12 and \$15 Suits have lived down a prejudice that good clothes couldn't be made for that price. But at these prices now we keep merchant tailors busy explaining why they charge triple the prices we do.

The Suits come in Sacks, Single and Double Breasted, Cutaways and Prince Alberts. We use the best cloths and trimmings. They're cut on the right principles. Tailor-made, form-fitting and faultlessly fashionable. Every Suit is stamped with the seal of superiority.

For a Man's Nobby All-Wool Suit is as close to the verge of reliability as we care to stand, but we're sure-footed there. We show hundreds of suits at that price which we sold before at \$15.00 and \$18.00. The variety we leave for your personal inspection. Come and see.
